Plans must be submitted with an Application for Plan Examination, except as listed below.
Plans are not required for the following:

- One- and two-family dwelling containing not more than 3,500 square feet of building area.
- Alterations and repair work determined by the plumbing official to be of a minor nature.
- Buildings with a required plumbing fixture count less than 12.
- Work completed by a governmental subdivision or state agency costing less than \$15,000.00.

If work being performed is described above, check box below "Plans Not Required."

Plans are required for all other building types and shall be prepare by or under the direct supervision of an architect or engineer licensed pursuant to 1980 PA 299 and shall bear that architect's or engineer's seal and signature.

Plans not required

V. Applicant Signature

Section 23a of the state construction code act of 1972, 1972 PA 230, MCL 125.1523A, prohibits a person from conspiring to circumvent the licensing requirements of this state relating to persons who are to perform work on a residential building or a residential structure. Violations of section 23a are subjected to civil fines.

SIGNATURE OF PLUMBING CONTRACTOR, MASTER PLUMBER, WATER TREATMENT INSTALLER OR HOMEOWNER (Homeowner's signature indicates compliance with Section VI. Homeowner Affidavit)	DATE
--	------

VI. Homeowner Affidavit

I hereby certify the plumbing work described on this permit application shall be installed by myself in my own home in which I am living or about to occupy. All work shall be installed in accordance with the Michigan Plumbing Code and **shall not be enclosed, covered up, or put into operation** until it has been **inspected** and **approved** by the Plumbing Inspector. I will cooperate with the Plumbing Inspector and assume the responsibility to arrange for necessary inspections.

VIII. Instructions for Completing Application

General: Plumbing work shall not be started until the application for permit has been filed with Area Code Enforcement. All installations shall be in conformance with the Michigan Plumbing Code. **No work shall be concealed until it has been inspected.** The telephone number for the inspection will be provided upon application of permit. When ready for an inspection, call the office providing as much advance notice as possible.

Expiration of Permit: A permit remains valid as long as work is progressing and inspections are requested and conducted. A permit shall become invalid if the authorized work is not commenced within 180 days after issuance of the permit or if the authorized work is suspended or abandoned for a period of 180 days after the time of commencing the work. **A PERMIT WILL BE CLOSED WHEN NO INSPECTIONS ARE REQUESTED AND CONDUCTED WITHIN 180 DAYS OF THE DATE OF ISSUANCE OR THE DATE OF A PREVIOUS INSPECTION. CLOSED PERMITS CANNOT BE REFUNDED.**
